CPNI Procedures

Smart LD, LLC is a wholesale company that does not participate in any marketing campaigns. This makes it simple for Smart LD not to divulge any CPNI accidentally to non-authorized employees. Also, Smart LD's billing system date stamps the user IDs of all who enter and change billing information. Smart LD's network firewall is up to date and protected by a system called NetScreen. Smart LD also outsources with a third party, TechServ, Inc., to keep Smart LD's IT systems stable and secure from outside access.
